TRINDEL BOARD MEETING **AGENDA ITEM: J**
May 16-17, 2012

SUBJECT: Update on CSAC-EIA Program changes (cyber liability and vehicle deductibles).

ACTION FOR CONSIDERATION: Informational only

BACKGROUND: ***Cyber Liability Coverage*** as a ***new EIA program offering***. For the last couple of years, this coverage has been included as part of the Property Program. As a member of the Property Program, you have had, and will still have, Cyber Liability coverage through Beazley in place through January 1, 2013.

We are pleased to report that the Property Program is supporting this as a new miscellaneous program of the EIA, and to avoid budget issues for the members, the Property Program will be ***paying the 9-month extension premium on your behalf***. At the end of the extension, members can withdraw from the coverage. For those that want to continue, and we recommend that you do maintain this very valuable and inexpensive coverage, please be sure to incorporate this into your 2012/13 budget. It is not a new expense since this was previously part of the Property Program. However, it will be billed separately since the coverage will now stand on its own.

FISCAL IMPACT: 2013/14 year Alpine $100; Colusa $250; Del Norte $300; Lassen $300; Modoc $200; Mono $200; Plumas $350; San Benito $250; Sierra $100; Trinity $200.

RECOMMENDATION: Informational only.
